# Player Etiquette

- ? Always start your serve with 2 balls -use your pockets or shorts, skirts, skorts to hold the 2nd ball.
- ? Do not try and walk behind a court when a point is in play.
- ? Always return opponents service balls directly, and nicely, preferably under the net.
- ? Make sure that you have sent balls from your end to the server. If they choose not to start with two it is not your responsibility to return the first service ball (if a fault). It is their responsibility to have the second ball close at hand.
- ? Never leave balls on court during play.
- ? Do not return serves which are definite faults. Push them carefully to the side of the court or safely behind you.
- ? The server should call the score before each first serve, loudly enough for his/her opponent to hear.
- ? Each player is responsible for all calls on his/her side of the net, however it should be noted that a Chair Supervisor or Referee is permitted to reverse an incorrect line call. This may occur from inside or outside the court enclosure. The official must be sure a mistake has occurred.
- ? All "out" or "fault" calls should be made promptly after the ball has bounced and loudly enough for the opponent to hear.
- ? If in doubt, the player must give the benefit of doubt to his/her opponent.
- ? A service 'Let' may be called by either player/team
- ? Foot faults may only be called by an Official either allocated for that purpose or a person performing a Chair Umpire function. Players may be requested to correct their foot faulting problem by a referee or Court Supervisor. The receiver may not call a foot fault against the Server.
- ? The receiver must play to the reasonable pace of the server.
- ? If a player incorrectly calls a ball "out" and then realises that the ball was good, the point should be replayed, unless it was a point winning shot or unless that player made an incorrect "out" call earlier in the match. In these circumstances, the player who called "out" loses the point.
- ? If players cannot agree on the score they should calmly discuss the games/points that are in dispute. If they then cannot reach an agreement they only replay the number of points/games that are in dispute. i.e. two players cannot agree on whether the score is 30-40 or 40-30, but they do agree that they have won two points each. The game should continue from 30-30. When the game score is in dispute the same principles apply with all agreed games standing and only disputed games being replayed.
- ? When a player has created an involuntary hindrance (ball falling out of pocket, hat falling off, etc), the first time a 'let' should be called and any similar hindrances shall be ruled deliberate.
- ? Any hindrances caused by a player that is ruled deliberate by the relevant official will result in a loss of a point.
- ? Where a ball interrupts play, either by rolling/bouncing onto the court, and or creating a visible interruption behind the court a let should be played. Either player can call a let in these circumstances provided they do so in a timely manner. Where this is between a 1<sup>st</sup> and 2<sup>nd</sup> serve, a second serve only should be played.
- ? If at the completion of a match, the players involved realise that the scoring format used was incorrect, the match result shall stand provided all players have left the court enclosure. If the mistake is realised before the players have left the enclosure, the correct scoring format should be used to finalise the match. If it is not possible (ie the match has progressed beyond the point where the correct scoring format can be implemented), then the score based on the incorrect format stands.
- ? If a player is unhappy with his/her opponent's actions or decisions, he/she should call the referee (or assistant) immediately. This may include any disputes regarding lets, foul shots or not up situations where players cannot reach agreement.

- 1** Play by the rules
- 2** Never argue with an official  
All problems should be resolved during a break or after the game.
- 3** Control your temper  
Abuse, sledging, distracting or provoking opponents or officials is not accepted
- 4** Always try your best  
And work hard
- 5** Be a good sport  
Applaud good shots by your team mates AND opposition
- 6** Treat everyone fairly
- 7** Co-operate  
With your teammates, parents, coach, co-ordinators and opponents. without them you would not be playing.
- 8** Have Fun  
Participate because you want to, not because you're told you have to. It should always be FUN.
- 9** Respect all participants  
Regardless of their gender, culture, ability or religion
